Dry-Bed-Sani Spreader.

Introducing the Vink Spreader—an easy-to-use handheld tool designed to evenly, efficiently, and safely apply our Animal Bedding Conditioner in your stalls.

Speed up chores.

The Vink Spreader is a simple, handheld tool powered by a cordless drill, designed to apply Dry-Bed-Sani quickly and easily in your stalls.

It spreads and mixes bedding in one smooth motion.

This portable unit works efficiently even with cows in the stall—no need to open or close gates.

It's designed to safely direct bedding just above the floor, throwing it to the side and back, away from the operator.

Cordless drill not included.

USE IT WITH DRY-BED-SANI

Our Animal Bedding Conditioner, Sanitizer and Hygiene Product.

Herd Approved. Bedding Made Easy.

Product Dimensions

18" x 14"
45cm x 35cm

Volume

4 lt
1 gal

Volume (Filled)

8 - 10 kg
17 - 22 lb

Volume (Empty)

4 kg
8 lb

Getting Started with the Vink Spreader

Make sure the spreader is assembled using the instructions included in the box. Fit the drill bit included with your drill of choice. Add the Dry-Bed-Sani through the plastic flap (push it inwards). Put your drill of choice in place with the drill bit connected to the internal shaft.

You can adjust the spreader to control how much bedding is dispersed. The spreading speed can also be changed by using your drill's speed settings.
